

Hello!

Just a few lines to introduce myself and ask for your vote in the elections in the Halsdon ward on 14th April.

Raised in Lympstone I went to Exmouth Community College before moving away to study in Portsmouth. I worked for a number of years in the retail trade all over the UK, specialising in recruitment and training, and finally moved back home to Exmouth in 1997.

I have been here ever since, working in the public sector and bringing up my daughter. I am very keen to see Exmouth thrive and continue to be a great place to live, work, study, visit and raise a family. Employment opportunities are critical to the future of our town, as are the offer we can make to our visitors in terms of facilities, activities and a warm welcome.

There are always challenges and you can be sure I will do all I can to work with all colleagues on Exmouth Town Council, as well as employers, residents, voluntary sector organisations and official bodies to achieve the very I can best for Exmouth.

I believe I have the skills, experience and enthusiasm needed to represent you. I look forward to meeting you and hearing your views.

Thank you

I
